### **-: NOTICE: -**

This is to inform all faculty members, research scholars, and students that in accordance with the **University Grants Commission (UGC) Public Notice dated 16 July 2025** regarding the discontinuation of the UGC-CARE List, Apex University has officially adopted the "Suggestive Parameters" issued by the UGC for the selection of appropriate peer-reviewed journals.

All researchers are advised to strictly adhere to these suggestive parameters to ensure the credibility of their work and avoid predatory journals.

**Additional Recommendation:** To maintain high standards of research quality and global visibility, **Apex University strongly recommends and encourages research scholars to publish at least one research paper in Scopus-indexed journals**, in addition to following the UGC's suggestive parameters.

For detailed UGC guidelines, please refer to the official UGC website.
